Dear Sir/Madam

I am writing to inform you that Peterborough City Council is consulting on the [Further Draft Local Plan](#), the second stage in the preparation of a new Local Plan for Peterborough. This is an important document as it will determine what Peterborough will look like in the future and how it will become an even better place to live, work and visit. The Further Draft Local Plan sets out criteria based policies that address the key issues in Peterborough. It also includes specific allocations for new development.

Consultation on the Local Plan will take place between **16 December 2016 and 9 February 2017**. Full details are available on our website at: <https://www.peterborough.gov.uk/localplan> where you can read and comment on the plan and view all supporting documents, including the [Sites Evidence Report](#), [Local Green Spaces Evidence Report](#) and [Changes to Boundaries Evidence Report](#).

The new Local Plan will replace the Peterborough Core Strategy and other Development Plan Documents. This is the second opportunity for you to make comments on the emerging plan and we encourage you to take this opportunity to let us know your views.

Public consultation was carried out on the Preliminary Draft version of the plan in January 2016, all comments received have been taken into consideration and are available to view at:
