- 019/18-19 **11. Correspondence:**
11.1 Celia Glover (nee Montague) re. land behind the Village Hall. The Clerk advised the meeting on....
a) the formation of a sub-committee at short notice to deal with consultations with Milton Estates and the Montague family re. potential use of the land behind the Village Hall,
b) the Clerk's obtaining an independent professional valuation on the land (£30,000),
c) the sub-committee's resolve to attempt, therefore, to have the land declared an Asset of Community Value, and
d) the Glover latest e-mail valuing the land at £600,000 to £960,000.
Council resolved to make no immediate response to this but to await the outcome of the ACV application (due 15th May 2018).
The Clerk took the opportunity to inform all present of this Parish Council's long standing interest in this land over the past 25 years and of the numerous yearly approaches that Council had made to the Montague family. The Chairman noted that the correspondence from Celia Glover was at odds with the family's earlier assertions that it wished to "help the local Community / Council" in its Village Hall project.
11.2 Parking:
a) P Browse...White Lines: The Clerk read out correspondence covering the closure of the white and yellow Lines issues.
b) J Stanton...was concerned about pavement obstruction by poorly parked vehicles at the Shop. Council agreed to consult City on improved white line markings.
c) City Council...will introduce on-the-spot penalties for inconsiderate parking on pavements, white lines and drop kerbs across the whole City area.
11.3 Martin Benn: Village Inspection to be arranged.
11.4 See 007/18-19 item 7.2 from the Annual Parish Meeting minutes:
Following the Annual Parish Meeting, the Parish Council considered the letter that Mr. Hinchliff had pre-prepared (for signature by the PC Chairman and Vice-Chairman) which elaborated on the degree and extent of support from the Parish Council for the ACV application re. the Exeter Arms and on the reasons for the application. Council agreed to write its own letter of support for the ACV but in briefer and more direct terms.
Council recognised that it would need to fully consider the financial impacts should the ACV application be successful. There would likely be expectations of the Parish Council (and its powers in the application of the Council Tax precept), which might be particularly onerous on parishioners / householders and not ultimately be either justifiable or sustainable.
- 020/18-19 **12. Items for consideration:**
12.1 Cllr Mead: Bus shelter near level crossing still overgrown with ivy.
12.2 Cllr Mead: "Helpston" Sign not yet replaced on Kings Street
12.3 City Cllr. Over: White posts on Kings Street are broken and surplus to requirements.
- 021/18-19 **13. Date of ANNUAL Parish Council Meeting and of May ordinary meeting: 14th May 2018**

The Chairman closed the meeting at 9.45pm
